ATHENS FOUNDATION

100 percent of the members of the Board of Directors of the Athens Foundation make an annual gift to the Membership Campaign.

The Athens Foundation's primary means of support is your Membership.

The mission of the Athens Foundation is to enhance the quality of life for the people of our region through building endowments, awarding grants, and providing leadership on key community issues now and for generations to come. Although the Foundation charges a minimal fee to administer endowed and non-endowed funds, this income is not enough to support our work. Please join hundreds of other supporters as members and know that your contribution is helping all of us build charitable funds for our community's future.
